PHOTOS AND LOGO

- Attach the logo in JPEG, PDF or TIFF format (warning: images inserted into a Word document cannot be accepted).
- Attach a selection of photos (place of business, products, etc.), preferably in JPEG format. For optimum use of your photos, it is preferable that they are in landscape format (horizontal).

Instructions for photos:

- Send images in JPEG (preferable), TIFF or PDF format (do not crop the photos).
- Send the photos by using WeTransfer (<https://wetransfer.com>) or equivalent, if the photos are larger than 10 MB.
- Do not incorporate photographs into a Word document.
- Do not send documents that are larger than 10 MB in an email.

Only photographs and logos of sufficient quality will be displayed on the website.
If any document cannot be used, a generic pictogram will be applied to your page.

SEND YOUR LOGOS AND PHOTOS TO: sabrina.pedrono@france-douglas.com
